CLUB STUFF

Greetings VCARA members! Club president John Schaaf K8JWS here with some information for you all.

Our September meeting is a potluck dinner at the clubhouse! There will be no guest speaker and no regular meeting. We will meet at 6PM, not 7. Please be prompt as we do need to have a very short official meeting to change the trustees of the club's call signs. We will appoint 2 members to be the trustees in an official meeting and take minutes so that those minutes can be sent in along with the change of trustee forms. It shouldn't take long at all and then we can get on to the real reason we will be there on September 24th, the food and fellowship!

As I said, this is a potluck dinner. The club is providing hamburgers and hotdogs, buns, and condiments. We are asking you to bring a dish to share if you can. If you are going to bring something, please reply to this e-mail with what you will contribute and everyone will see it so we don't get duplicates. Entrees, side dishes, or deserts are all welcome.

Finally, I want to remind everyone about our 2 Google Groups e-mail lists. First is the one I used to e-mail you today, vcara-members@googlegroups.com. Any e-mail sent to this address will go to all club members. I ask that you clear any subject you would like to send to this list with any club officer, other than if you have something ham related for sale or know of an upcoming ham related sale and want to pass it on to the club. Second is vcara-officers-and-board@googlegroups.com. This list only goes to VCARA officers, board members, and committee chairs. Feel free to e-mail us about anything to do with the operation of the club.

Thank you for your time and I hope to see you at the potluck dinner!

DUES

If you have not paid your dues then you will soon be removed from our mailing address and information stream. We continue to welcome you to our meetings and events.

THE LAST MEETING

The last meeting was
interesting. We heard a
small report from our
illustrious president about
the innovato quadra ham
clock.
